Reminders

Social Studies: Map Skills

**** Snacks! ****

Please be sure to pack your child a recess snack, even if they have Hot Lunch! It's a long stretch between breakfast and lunch, and their brains are working hard!

**** Nut Free Encouraged! ****

As mentioned at Back to School Night, if possible, please be mindful of classmates' allergies and pack nut free snacks and lunches!

Special Thanks

Thank you for making the start of our year so wonderful for your students and me! I have loved getting to know our 2nd graders, and look forward to a fun year ahead!
