Week of September 18th

# Mrs. Panacci's Classroom Newsletter

Brought to you by Mrs. Roberts

Hello! As you all know, Mrs. Panacci welcomed her darling daughter into the world on Sunday! Woohoo! Therefore, I had the opportunity to dive into learning with your little scholars this week. We were prepared as we could be, but even still this week has been a transition for the class and myself, and I applaud their patience, flexibility, and willingness to help. I am currently behind in grading the students' work from this week but will catch up over the weekend and return it next week. If you have any questions or concerns don't hesitate to email me. Thank you for your understanding and patience. Have a great weekend!

## Peek at the Week

Language Arts:

- Guided Reading Groups
- Reading Skills- Story elements:  
Character traits

- Collective nouns

Spelling Words: Short 'u' sound

Math: Estimating and counting with beans

Religion: Learning how to be a follower of Jesus

Science: Finishing our investigation of solids. Are there solids objects outdoors?
